

The Kids Central theme for the month of February is Uniqueness: learning more about yourself so you can make a difference. The bottom lines we will cover each week are: God made you, knows you and loves you, God made you to make a difference, use your gifts to make a difference and you can make a difference right now. The preschool key point is Jesus loves everyone. Their memory verse is John 15:12. We look forward to learning these important truths from the Bible with our youth this month!

We are updating our records. Please check the list located in either the front and back vestibules or the children's wing as you leave. If your information is correct, put a check mark; if it is not, please correct the errors. Please check your relatives' information if they are not present.

P. V. Alexander Ministries works to spread the love of Christ to the people in the state of Kerala, India.
